The age of the Puppy class is for SM up to 16 months: The handler may whoa their dog into the bird when deemed necessary. The puppy was required to pick up the bird but did not have to totally deliver it to hand; the handler can also make several steps to recover the bird from the dog. The dog scored 10 points for a point (pup does not have to be steady to flush, wing or shot), 10 points for retrieve within 5 steps/ pup receives 5 point scoring if pup picks up bird but does not retrieve, deduct 2 point for each spent shell. If a pup catches a bird after establishing point, it will receive

2014 Hunter Class Bird Derby

The Hunter Class dogs were judged as a finished hunting dog. When the dog established point he/she must remain steady to wing. Once the bird is in the air the dog may break and at this point the retrieving will begin. If the dog started breaking prior to the bird being flushed, no score was awarded. The dog should go quickly to the fallen bird, pick it up, return directly to the handler and then wait calmly until told to release the bird to hand. The handler may take a step to the dog in order to retrieve the bird to hand

The Hunter Scoring was 10 points for a point, 10 points for retrieve, minus 2 points for each shell spent.

Thanks to Mark Schnubel for judging the Hunter and half of the Junior Class Dogs. It made for a long very warm day!
